Registry Provider Information Sheet

Steps to apply for the Homecare Workers Registry in Alameda County

➤ Request an Application

Call the Registry on Monday to Friday at (510) 577-5694 between 9am and 4pm.

➤ Complete an Application

An application will be mailed to you. Complete it and mail back to the Registry.

➤ Provide at least three supervisory references

The Registry will call the references and will need to talk to at least three different supervisors about your work.

➤ Attend a group interview

If the Registry is able to get at least three positive references you will be invited to a face-to-face group interview.

➤ Complete County Requirements

If you have not done so already, you will need to complete the County Requirements (County orientation & fingerprinting)

➤ Follow Policies & Procedures

If accepted on the Registry, it will be your responsibility to follow the Registry's policies and procedures to remain active on the Registry.

You do not need to be on the Registry to be an IHSS homecare provider!

The Registry is a referral service only; it is not a guaranteed job!
